

Super Foliar 60[®]

20-30-10

Foliar Fertilizer(Solid)

Registro RSCO-0420/VI/99

DESCRIPTION

SUPER FOLIAR 60 is an ideal fertilizer for when it is necessary to stimulate growth and improve the vigor of the crop, as well as to solve problems of nitrogen, phosphorous, potassium and micro-element deficiencies in all types of crops and at all stages of development and growth. Nutrients contributed by **SUPER FOLIAR 60** are immediately available and easy to assimilate. Its presentation in powder form facilitates its solubility in water and its formulation makes it one of the most widely applied foliar fertilizers in the field and on the market today
